TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

Worcester, ss.

February 19, 1943

To either of the Constables of the Town of Southborough,
Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Southborough, qualified to vote in elections, to meet in the Town House in said Southborough, on

Monday evening, March 8, 1943

at seven o'clock, then and there to take action on the following Articles:

Article 1. To choose a Moderator to preside in said Meeting.

Article 2. To hear the reports of the various Town Officers and Committees and do or act thereon.

Article 3. To raise such sums of money as may be necessary for the Town's use and make appropriation of the same.

Article 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1943, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws, as amended, and pass any vote or take any action in relation thereto.

Article 5. To see if the Town will authorize the Board of Assessors, subject to the written authority of the Commissioner of Corporations and Taxation, to use free cash in the Town Treasury, and if so, what sum, for the purpose of reducing the amount to be raised and assessed as taxes in 1943, or pass any vote relative thereto.

Article 6. To see what disposition shall be made of the dog money.

Article 7. To see if the Town will accept contributions from the Saint Mark's School and the Fay School, and determine what disposition shall be made of the same if accepted, or do or act thereon.

Article 8. To see if the Town will raise and appropriate the sum of \$150.00 to defray the expenses of Memorial Day, May 30, 1943, observance, or do or act thereon. (Proposed by Leo L. Bagley Post, No. 161, the American Legion.)

Article 9. To see if the Town will raise and appropriate the sum of \$15.00 for the Memorial Day, May 30, 1943, observance exercises, under the auspices of the Choate Post 3276, Veterans of Foreign Wars, or do or act thereon. (Proposed by the Choate Post 3276, Veterans of Foreign Wars.)

Article 10. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the use of the Planning Board in 1943, or do or act thereon. (Proposed by the Planning Board.)

Article 11. To see if the Town will vote to raise and appropriate the sum of \$50.00 for private tree work, Tree Warden Department, or do or act thereon. (Proposed by the Tree Warden.)

Article 12. To see if the Town will vote to raise and appropriate the sum of \$300.00 for Playground activities, managed under the direction of the Selectmen, or do or act thereon. (Proposed by Frederick R. Weed and others.)

Article 13. To see if the Town will authorize the sum of \$250.00 to be expended from the Cemetery Reserve Fund; \$150.00, for the purchase of loam, the payment of labor, etc., and \$100.00 for maintenance of the Old Cemetery; or otherwise do or act thereon. (Proposed by the Cemetery Commissioners.)

Article 14. To see if the Town will vote to reduce the annual salary of the Board of Public Welfare from \$400.00 to \$150.00, or take any action relative thereto. (Proposed by the Board of Public Welfare.)

Article 15. To see if the Town will raise and appropriate the sum of \$2,500.00 to be used for the purpose of necessary repairs on the Peters High School Building and Annex, including the rewiring of the electrical wires in the Manual Training Room, painting and repair of windows and stucco, conductors and chimney and the repair and painting of the Fire Escape, or do or act thereon. (Proposed by the School Committee.)

Article 16. To see if the Town will vote to raise and appropriate the sum of \$1,235.00 for Highway Equipment and Maintenance, or do or act thereon. (Proposed by the Board of Selectmen.)

Article 17. To see what action the Town will take, regarding the drainage of surface waters from the highways, Winchester and East Main Streets, adjacent to the houses of Mary Irene and Gertrude E. Salmon, or do or act thereon. (Proposed by Mary Irene and Gertrude E. Salmon and others.)

Article 18. To see if the Town will vote to change the name of School Street to "Heffron Lane," as requested by a former resident of the Town. (Proposed by Mary Heffron Patten and the Board of Selectmen.)

Article 19. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow \$2,000.00, to be used for Civilian Defense, and issue bonds or notes of the Town therefor in accordance with the provisions of Chapter 44, General Laws and Chapter 487, Acts of 1941, said notes or bonds to be due and payable in not more than five years, or take any action relative thereto. (Proposed by the Board of Selectmen.)

Article 20. To see if the Town will raise and appropriate the sum of \$6,900.00 for maintenance of Chapter 81 roads, or do or act thereon. (Proposed by the Board of Selectmen.)

Article 21. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the maintenance of Chapter 90 Highways; said money to be used in conjunction with any money which may be allotted by the State

or County, or both, for this purpose; or take any other action in relation thereto. (Proposed by the Board of Selectmen.)

Article 22. To see if the Town will raise and appropriate the sum of \$2,133.63 to pay the assessment of the County Commissioners for care and maintenance, in connection with the Worcester County Tuberculosis Hospital District, or do or act thereon. (Proposed by the Board of Selectmen.)

And to notify the inhabitants of the First Precinct of the said Town of Southborough, qualified to vote in elections, to meet in the Town House in said Southborough, and the inhabitants of the Second Precinct of the said Town to meet in the South Union School, on

Monday, March 15, 1943

then and there at those places to bring in their votes to the Election Officers of the respective Precincts for: Town Clerk, Treasurer, Collector of Taxes, one member of the Board of Selectmen for the term of three years, one member of the Board of Assessors for the term of three years, one member of the Board of Assessors for the term of one year, one member of the School Committee for the term of three years, one member of the Board of Water Commissioners for the term of three years, one member of the Board of Public Welfare for the term of three years, one member of the Board of Public Welfare for the term of one year, one member of the Board of Health for the term of three years, one Cemetery Commissioner for the term of three years, two members of the Board of Trustees of the Library for the term of three years, one member of the Planning Board for the term of one year, one member of the Planning Board for the term of two years, one member of the Planning Board for the term of three years, one member of the Planning Board for the term of four years, one member of the Planning Board for the term of five years, and a Tree Warden for one year.

The Polls in each Precinct will be opened at six o'clock in the morning and will be closed at eight o'clock in the evening of said day.

And you are to give notice hereof by posting true and attested copies of this Warrant at the Town Hall, the Fayville Hall, all the railroad stations in the Town, the Post Offices in Southborough, Fayville, Cordaville and Southville seven days at least before the time appointed for such meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before the time set for said meeting.

Given under our hands this 24th day of February in the year of our Lord one thousand nine hundred and forty-three.

GEORGE A. LABARRE
ARTHUR L. HOSMER

Selectmen.

A true copy. Attest:

ANNUAL REPORT

OF THE

Advisory Committee

OF

Southborough, Massachusetts

For the Year 1943

TO THE CITIZENS OF SOUTHBOROUGH:

1. For 1942 the amount which was set aside in the Reserve Fund was \$3,000.00, the same amount as for the five previous years. As the report of the Town Accountant shows that \$2,500.00 was transferred to various accounts. The major transfer was made to the Water Department for a new chlorinator.

2. The Advisory Committee would call to the attention of the voters the tabulation in its report showing the cost of the various departments of the general government of the Town. It will be noted that the recommended budgets for many of the departments for 1943 are less than the appropriations were for the same departments in 1942. In the majority of the cases the respective town officers are in accord with the decreased budgets.

3. The Advisory Committee in order to stress the necessity of a decrease in the expenditures for 1943 sent the following letter:

From: Advisory Committee

To: All Town Boards and Officers submitting budgets for
1943

Subject: Curtailment of Expenses

Due to the substantial increases in State and Federal taxes and due to the additional expenses to be incurred for the adequate protection of our inhabitants, it is the suggestion and sincere hope of the Advisory Committee that each department make every effort to reduce its budget at least ten percent.

This Committee feels confident that it will have your complete cooperation in this matter.

Should you desire the assistance of this Committee, please do not hesitate to seek such assistance.

4. The Advisory Committee cannot stress too strongly to the Town Officers that have the disbursement of Town Funds the necessity of keeping within their budgets as appropriated at the annual Town Meeting. If an unforeseen expense occurs or an emergency arises that requires

additional funds, request must be made of the Advisory Committee before the expenditure is made, as the Advisory Committee has no authority to transfer funds from the Reserve Account to a Department that has overdrawn its appropriation. The only way that such overdrafts can be paid is by a vote of the Town. If the Town does not vote to pay such bills then the responsibility for their payment is up to the party authorizing the expenditure.

5. The Advisory Committee feels that the voters of the Town should be informed that several changes have occurred in the personnel of the Committee during the past year. On May 28, 1942, Philip W. Burke was appointed to fill the vacancy created by the resignation of Frank J. Mattioli. On November 1, 1942, Herbert Holmes and Carl Sayles were appointed to fill the vacancies created by the appointment of James M. O'Leary to the Ration Board and Walter E. Morse, Jr. who entered the armed services. In February, 1943, Charles M. Proctor resigned.

Article 3. Under this article come all the appropriations for the general government of the Town, and the recommendations of the Advisory Committee are shown in tabulated form, as a part of this report.

Article 6. It is recommended that the revenue obtained from the licensing of dogs be used as a part of the appropriation for the Library.

Article 8. It is recommended that the sum of \$150.00 be raised and appropriated.

Article 9. It is recommended that the sum of \$15.00 be raised and appropriated.

Article 10. It is recommended that the sum of \$50.00 be raised and appropriated.

Article 11. It is recommended that the sum of \$50.00 be raised and appropriated.

Article 12. It is recommended that the sum of \$300.00 be raised and appropriated.

Article 13. It is recommended that authority be given.

Article 14. It is recommended that the reduction be made.

Article 15. Recommendation will be made at the annual Town Meeting.

Article 16. It is recommended that the sum of \$1,235.00 be raised and appropriated.

Article 17. Recommendation will be made at the annual Town Meeting.

Article 19. Recommendation will be made at the annual Town Meeting.

Article 20. It is recommended that the sum of \$6,900.00 be raised and appropriated.

Article 21. It is recommended that the sum of \$700.00 be raised and appropriated.

Article 22. It is recommended that the sum of \$2,163.33 be raised and appropriated.

**REPORT OF SPECIAL TOWN MEETING,
FEBRUARY 4, 1942**

Article 1. Chose Bernard A. Merriam as Moderator.

Article 2. Voted that a sum not exceeding \$1,500.00 be appropriated from the Road Machinery Fund for the purchase of a new truck for the Highway Department. The purchase to be by competitive bids.

Article 3. Voted that the sum of \$200.00 be appropriated to be used under the supervision of the Selectmen for the purpose of erection and maintenance of a temporary "Honor Roll" to have thereon the names of all the men and women of this Town serving in the armed forces of the United States. This sum to be transferred from the Excess and Deficiency account.

Article 4. Voted that the sum of \$500.00 be appropriated to be used under the supervision of the Selectmen for the purpose of purchasing of equipment and supplies and to pay for any other expenditures essential for the protection of the people and property. This sum to be transferred from the Excess and Deficiency account.

(First amendment was lost—Mr. Burnett's).

(Second amendment carried—Mr. O'Leary's in writing).

Voted that a committee of three be appointed—to consist of the Chairman of the Board of Selectmen, Chief Air Raid Warden and the Fire Chief to look into Air Raid Warnings and report at the Annual March Meeting.

Article 5. It was voted to accept a new street leading off Lyman Street, a distance of approximately 600 feet, known as Hillside Avenue, situated between the houses of Charles H. Newton, Joseph Trioli and Margaret A. Salmon.

Article 6. Voted that a sum of \$1,025.00 be appropriated for the purchase of a cruiser for the Police Department, equipped with short wave radio and means of conversion to an ambulance, and that the sum of \$375.00 be appropriated to pay the insurance and operating expense of said cruiser.

for the balance of 1942. The purchase of the cruiser to be by competitive bids. The total sum of \$1,400.00 to be transferred from the Excess and Deficiency account.

Voted not to reconsider vote.

Article 7. Voted to pass the article.

Article 8. Voted that the sum of \$529.62 to pay the following unpaid bills: Police Department \$103.66, Moth Department \$38.65, W. P. A. \$150.00, Selectmen \$38.00, Trade School Tuition \$139.62, Civilian Defense \$59.69. This sum to be transferred from the excess and deficiency account.

All in favor—none against.

Voted to dissolve the meeting.

REPORT OF TOWN MEETING, MARCH 9, 1942

Article 1. Chose George H. Burnett as Moderator.

Article 2. It was voted to accept the report of the various Town Officers and Committees as printed in the Annual Town Report and place them on file with the Town Clerk.

The report of the committee appointed under Article 23 of the Annual Town Meeting held in March, 1941 was read and placed on file.

It was voted at this time to consider Article 23.

Article 23. It was voted to lay the Article on the table until some future time. The Moderator ruled that some future time would be the next adjourned meeting.

Tax Title Expense	50.00

Article 4. Voted that the Treasurer be and hereby is authorized, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January first and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws as amended. Unanimous Vote.

It was voted to take up Article 3, Item 43 again.

Article 3—Item 43. It was voted that the Town raise and appropriate the sum of \$15,000.00 for Debt Retirement, that \$3,000.00 of this sum be included in this year's Tax Levy and that the sum of \$12,000.00 be taken from the Water Department available surplus.

It was voted to take up Article 5 at the end of the meeting.

Article 6. It was voted that the Dog Money be appropriated for the Library (\$657.91).

Article 7. It was voted that the Town accept contributions from the St. Mark's School and the Fay School and that they be placed in the Town Treasury for general purposes.

Article 8. It was voted to dismiss the Article.

Article 9. It was voted that the Town raise and appropriate the sum of \$150.00 to defray the expenses of Memorial Day Observance by the Leo L. Bagley Post, American Legion.

Article 10. It was voted that the Town raise and appropriate the sum of \$15.00 for the Memorial Day observance by the Veterans of Foreign Wars, Choate Post 3276.

Article 11. It was voted that the Town raise and appropriate the sum of \$50.00 for the use of the Planning Board.

Article 12. Voted that the Town Raise and appropriate the sum of \$50.00 for work on private property by the Tree Warden.

Article 13. Voted that the Town raise and appropriate the sum of \$300.00 for playground activities to be managed under the direction of the Selectmen.

Article 14. It was voted that a sum not exceeding \$200.00 be taken from the Cemetery Reserve Fund for finishing a portion of the undeveloped section in the new part of the Rural Cemetery; and a sum not exceeding \$100.00 be taken from the Reserve Fund for maintenance of the "Old Cemetery."

Article 15. It was voted to dismiss the Article.

Article 16. It was voted that the Town raise and appropriate the sum of \$1,914.62 for the assessment by the County Commissioners for maintenance of Worcester County Tuberculosis Hospital District.

Article 17. It was voted that the Town raise and appropriate the sum of \$1,000.00 for the purchase of materials, special labor and the hire of machinery and equipment for use in conjunction with any Federal or State projects for which funds are made available under present or future legislation for the purpose of reducing welfare costs and aiding Towns in providing employment, said amount appropriated to be allotted by the Board of Selectmen or Officers for this purpose.

Article 18. It was voted that the Town raise and appropriate the sum of \$515.40 to pay 1941 unpaid bills as follows:

Engineering Services on W. P. A. Project	\$495.00
Trade School Tuition	20.40

139 in favor—7 against.

Article 19. It was voted that the member of the Board of Public Welfare acting as investigator and performing the detail work on Old Age Assistance receive additional compensation of \$150.00 for this service from the Federal Grant administration funds if approved by the Board of Public Welfare.

Article 20. It was voted that a committee of three citizens be appointed to meet with the School Committee and go over the plans for school toilet additions and to report at a Special Town Meeting to be held before June 15, 1942.

Article 21. It was voted that the sum of \$1,000.00 be raised and appropriated for the preservation of health and protection of persons and property; to purchase equipment, uniforms for auxiliary fire and police departments, air raid wardens, first aid rescue squads and other essential units of defense; and to provide for such other means as may be necessary in the National Emergency for the protection of the people and property. The expenditure of this money to be under the supervision of the Selectmen.

Article 22. It was voted that the Town Treasurer, with the approval of the Selectmen be authorized to borrow such sums of money as may be necessary for the preservation of health and protection of persons and property, to provide for such other means as may be necessary in the National Emergency for the protection of the people and property. The total amount that can be borrowed under this authorization not to exceed the sum of \$5,000.00. The expenditure of any money that is borrowed to be under the supervision of the Selectmen and must be approved by the Advisory Committee before any expenditure is made.

Article 23. It was voted to dismiss the Article.

Article 24. It was voted that the Town raise and appropriate the sum of \$1,084.00 to purchase forest fire fighting equipment to consist of a Centrifugal pump and strainer to be attached to the front of the present fire Ford Truck at a cost of \$745.00 including installation, 20 pump tanks \$300.00, brooms \$39.00.

Article 25. It was voted that the Town raise and appropriate the sum of \$1,000.00 to be used in conjunction with a similar appropriation by the Town of Hopkinton for the construction of a bridge to replace the "OLD COUNTY" bridge, so called, on the Southville-Hopkinton Road.

Article 26. It was voted to defer action under this article until after Articles 27, 28, 29, 30 and 31 are voted upon.

Article 27. It was voted that the Town raise and appropriate the sum of \$750.00 for the purpose of financing a water main extension on Boston Road at the property of Rachael Edwards to the property of Avis Rossi, in conjunction with a W. P. A. project, that no extension shall be made until those benefiting shall first execute the written agreement to reimburse the Town as provided by the Rules and Regulations adopted by the Board of Water Commissioners.

Article 28. It was voted that the Town raise and appropriate the sum of \$850.00 for the purpose of financing water main extension on Boston Road from Winchester Street to the property of the Farm Service Stores, in conjunction with a W. P. A. project, that no extension shall be made until those benefiting shall first execute the written agreement to reimburse the Town as provided by the Rules and Regulations adopted by the Board of Water Commissioners.

Article 29. It was voted that the sum of Two Thousand Five Hundred (\$2,500.00) dollars be raised and appropriated for the purpose of extending the water main southerly on Parkerville Road from its present location on Clifford Street to a point three hundred feet south of the southerly line of the Turnpike Road; also westerly from Parkerville Road on Turnpike Road to a point opposite the home of Mrs. Raymond H. Oveson and that the Water Commissioners be instructed to so extend said main and to fix the rates for the use of water and water service therefrom on the same basis as the minimum rates which were established when the water main system was installed in 1930 and 1931. Carried—43 ayes—42 no.

Article 30. It was voted that the Town raise and appropriate the sum of \$8,500.00 for the purpose of financing water main extension on Parkerville Road from Gilmore Road to Middle Road and on Middle Road to Turnpike Road, in conjunction with a W. P. A. Project and to meet said appropriation that \$2,500.00 be raised in the tax levy for the

current year, and the Treasurer, with the approval of the Selectmen be and hereby is authorized to borrow \$6,000.00 and issue bonds or notes of the Town therefore in accordance with the provisions of Chapter 44, General Laws, said note or bonds to be due and payable in not more than 5 years, that no extension shall be made until those benefiting shall first execute the written agreement to reimburse the Town as provided by the Rules and Regulations adopted by the Board of Water Commissioners.

Article 31. It was voted that the Town raise and appropriate the sum of \$650.00 for the purpose of financing water main extension on Parker Street from Highland Street to Southville Road and on Southville Road to the property of Frank Perini, in conjunction with a W. P. A. project that no extension shall be made until those benefiting shall first execute the written agreement to reimburse the Town as provided by the Rules and Regulations adopted by the Board of Water Commissioners.

Article 32. It was voted that the Town raise and appropriate the sum of \$6,900.00 for maintenance of Chapter 81 Roads.

Article 33. It was voted that the Town raise and appropriate the sum of \$700.00 for the maintenance of Chapter 90 Highways; said sum or any portion thereof to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose.

Article 34. It was voted that the Town transfer, subject to the written authority of the Commissioner of Corporations and Taxation the sum of \$1,032.72 from the Road Machinery Fund to be used for Highway Equipment and Maintenance and that the Town raise and appropriate the sum of \$67.28 to be used for Highway equipment and maintenance.

Article 35. It was voted to establish a Planning Board under the provisions of General Laws, Chapter 41 (Chapter 211) Acts of 1936, Section 81A, with all powers and duties therein and in any existing by-laws of the Town

provided, to consist of five members to be elected by a ballot at the Annual Town Meeting in March 1943, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, one for a term of five years, and thereafter in accordance with the provisions of the statute, ~~or take any action relative thereto.~~

Article 5. It was voted that the Board of Assessors be and are hereby authorized, subject to the written authority of the Commissioner of Corporations and Taxation, to use from free cash in the Town Treasury a sum not exceeding \$6,000.00 for purpose of reducing the amount to be raised and assessed as taxes in 1942.

Article 26. It was voted to pass the article.

It was voted to dissolve the meeting.

SPECIAL TOWN MEETING, JUNE 12, 1942

Article 1. Chose George H. Burnett as Moderator. Mr. Walter A. Hutt cast one ballot for George H. Burnett in accordance with a vote of those present.

The Moderator appointed tellers to count the voters to determine whether a quorum was present. Seventy-nine voters present.

Article 2. The report of the committee appointed under Article 20 of the Adjourned Town Meeting of March 13, 1942 was given by Karl Sayles, a member of that committee. It was voted to accept the report of this committee. No report in writing was submitted.

Article 3. It was voted as an amendment to the original motion that a sum not in excess of \$3,000.00 be appropriated for improvements to the toilet facilities at the High School and that the School Committee be authorized to contract for same without the formality of competitive bidding providing the contractor furnish the necessary cre-

dentials that he is capable of performing the work and is financially responsible to carry out the provisions of the contract.

Article 4. It was voted that the Town appropriate the sum of \$450.00 to be used in replacing the present roof on the South Union School House with a 5 ply tar and gravel roof with 10 year guarantee. The School Committee to contract for the work on the basis of bids from 3 or more responsible contractors, reserving the right to reject any or all bids. The amount appropriated to be taken from the excess and deficiency account.

It was voted to dissolve the meeting.

SPECIAL TOWN MEETING, NOVEMBER 10, 1942

Article 1. Chose George H. Burnett as Moderator.

Article 2. Voted that the Town take the sum of Three Thousand Dollars, appropriated under Article 3, of the Special Town Meeting held on June 12, 1942 from the Excess and Deficiency Account.

Article 3. Voted that the Town transfer from the Road Machinery Fund to the Highway Department the sum of Three Hundred Dollars (\$300.00), for the purpose of purchasing a cement mixer.

Article 4. Voted that the Town return the German War Gun to the Leo L. Bagley Post No. 161, American Legion, and that they be given authority to keep it on the Common on the location it was set on in 1926.

Article 5. Voted to dismiss the article.

Voted to dissolve the meeting.

"Out of State" cattle released from quarantine	81
Cases of rabies	0
Number of persons bitten by dogs	7
Number of cattle reacting to tuberculin test	1

Respectfully submitted,

WILLIAM H. ONTHANK,
Inspector of Animals

REPORT OF MOTH SUPERINTENDENT

To the Honorable Board of Selectmen,
Town of Southborough, Massachusetts
Gentlemen:

I hereby submit my annual report for the year ending
December 31, 1942.

Gypsy moths showed a marked increase over the previous
year in the southerly and easterly parts of the town. Two

complete sprayings were necessary on some roads in order to check these pests.

Ninety-one private orchards were sprayed, some of these two and three times.

It will be necessary to replace some parts on both spray machines this year if we are to continue with this work. Both of these sprayers were purchased in the year 1912 and are badly in need of a thorough overhauling.

Respectfully submitted,

WILLIAM H. ONTHANK,
Moth Superintendent

REPORT OF TREE WARDEN

Honorable Board of Selectmen,
Southborough, Massachusetts
Gentlemen:

I hereby submit my report for 1942.

Spraying was thoroughly carried out on the highways. The Dutch Elm Disease is increasing in the State and it is necessary to take out the dead elm branches that we can find in order to control this dread disease.

Only the necessary trimming was done this year, and that is all that is contemplated for the coming year. This is due to the scarcity of full time climbers.

I have again reduced the budget. I wish to call to the attention of the town that as soon as labor is plentiful again there will be a great deal of work to do.

A statement of expenditures and receipts will be found in the report of the Town Accountant.

Respectfully submitted,

HARRY BURNETT,
Tree Warden

REPORT OF PLANNING BOARD

January 15, 1943

Board of Selectmen,
Southborough, Massachusetts

Gentlemen:

In accordance with the General Laws, Chapter 41, Section 71, we hereby submit our Annual Report.

The Planning Board has devoted all its efforts to the study and preparation of zoning laws for the past year. The aim of the committee has been to give the voters of Southborough a set of zoning laws that will be simple, adequate and effective. We believe that the following proposed laws meet that aim.

Proposed Zoning Laws of the Town of Southborough

PREAMBLE

In order to preserve and promote the health, safety, morals, convenience, and welfare of the townspeople; to lessen the danger from fire, to improve and beautify the town and to stabilize the value of real estate, the following regulations for the use of buildings and structures are hereby established under the General Law relating thereto.

ARTICLE I

Section 1. Establishment of Districts. To carry out the purpose as set forth in the preamble to this by-law, the use of the land, and use, construction, repair, alteration, enlargement and moving of buildings in the town of Southborough are hereby restricted and regulated as hereinafter provided.

Section 2. Districts. The town of Southborough is hereby divided into four classes of districts to be known as follows:

- A.—Single residence districts.
- B.—Business districts.
- C.—Industrial districts.
- D.—Rural Districts.

(all to be shown on a map which will accompany this by-law entitled "Zoning Map of the Town of Southborough," and to be on file in the office of the Town Clerk, which map with all the boundary lines and all the designations thereon, is hereby made a part of this by-law.)

ARTICLE II

Use Regulations

Section 1. The following uses shall be permitted in Single Residence Districts:

- A.—Single and multiple family houses — apartments not exceeding six families.
- B.—Home gardening, and the raising of nursery stock or plants.
- C.—Conduct of lodginghouses for the lodging of not more than four persons.
- D.—Customary home occupations, or a light industrial activity in a dwelling or accessory building, conducted only by the owner, or resident occupant of the building, provided it does not change the nature of the district.

Section 2. The following uses shall be permitted in Business Districts:

- A.—Any use permitted in Single Residence Districts.
- B.—Stores, shops, restaurants, garages, and repair shops.
- C.—Such similar uses as the Board of Appeals may approve and grant permits therefor, where not inconsistent with the nature of the district.

Section 3. The following uses shall be permitted in Industrial Districts:

- A.—Any use permitted in Single Residence or Business Districts.
- B.—Any industry or manufacturing which will not be seriously detrimental or offensive to adjoining districts or tend to reduce property values by reason of dust, odor, fumes, smoke, gas, wastes, refuse-matter, noise or excessive vibration or danger of explosion or fire.

Section 4. The Rural District shall consist of the area remaining and not included in Article II, Sections 1, 2 and 3.

The following uses shall be permitted in Rural Districts:

A.—Any uses permitted in Single Residences.

B.—Diversified Farming.

C.—The raising of swine, poultry, fur bearing and other animals and kennel keeping will not be permitted as a business or industry in the Rural District, except by a permit from the Board of Appeals, provided that there be filed with the application for such permit, written consent thereto by two-thirds of the owners of land within a radius of one-half mile of the proposed business.

ARTICLE III

Section 1. The provisions of these by-laws shall not apply to existing buildings or structures nor to the existing use of any building, structure or land, but they shall apply in the case of any reconstruction, repair, alteration, enlargement, or moving of any existing building or structure which is intended thereby to be used for a purpose or in manner substantially different from the use to which it was put at the time of such reconstruction, repair, alteration, enlargement or moving.

Section 2. In the event that a non-conforming building or structure existing at the time of passage of the zoning by-law is destroyed or damaged, it may be reconstructed and used as before said destruction or damage, provided that the reconstruction is commenced within two years from the date of the destruction or damage and the structure or building completed and the use resumed within one year thereafter. Nothing in this by-law shall be construed to permit the reconstruction or resumption of use of a building or structure destroyed or damaged except substantially as it existed prior to said destruction or damage, and in compliance with any existing laws.

Section 3. In the event that a non-conforming use of premises is abandoned for a period of three years, such non-conforming use shall be considered to have been extinguished and the premises be subject to the regulations of the District in which said premises are located.

ARTICLE IV

Section 1. Except as hereinafter provided, no parcel of land in any district shall be used for any purpose other than that for which the district is established as provided in Article I.

Section 2. The use, construction, alteration, height and area of buildings and the use of premises in the aforementioned districts shall be regulated and restricted as hereinafter provided.

Section 3. No building for use as a habitation, for business, for industry or accessory buildings shall be erected, altered or moved after this by-law becomes operative without a permit from the Selectmen, showing that the requirements of the districts affected have been substantially complied with. Said permit shall be posted conspicuously on the premises to which it applies during the time of construction. No lot, nor the building or structure, shall be changed in size or use, so as to violate the provisions of these Zoning Laws.

ARTICLE V

Section 1. In Single Residence Districts land laid out after adoption of this by-law shall provide for each residence a minimum lot area of 20,000 sq. feet with the least dimension of the lot not less than 100 feet.

Lots shown on any plan duly recorded by deed or plan at the time this by-law is adopted may be used, provided that all requirements in regard to setbacks and yards are fulfilled.

Section 2. In all Single Residence Districts, no building hereafter erected, moved or relocated, shall be nearer than 50 feet from the center line of the street or way upon which it fronts, or nearer than 15 or 20 feet from the side line or 25 or 30 feet from the rear line of the lot upon which it is situated.

Section 3. In Business Districts no building hereafter erected, moved or relocated shall be nearer than — feet from the center line of any street or way. Except that if permitted buildings exist on each of the adjoining side

lots, the front line of the proposed building may conform to the front line of the existing buildings. Projecting eaves and uncovered steps may project in the restricted space.

One-story accessory buildings, other than garages attached to the house shall be built at the rear of the house, not nearer than 5 feet from any side or rear lines, nor 15 feet from any structure for habitation or any accessory building on an adjoining lot.

Section 4. No building used for habitation shall be built, extended or otherwise enlarged so that, with its accessory buildings it covers more than 40% of the lot upon which it is situated.

No building used for Business or Industry shall including accessory buildings, cover more than 75% of the area of the lot if a corner lot, or 60% of the area of an interior lot. The open space required shall be so located as to properly light and ventilate the building and give free access in case of fire.

Section 5. At every filling station hereafter constructed, the building shall be located at least 60 feet from the center line of the highway. No pump shall be nearer than 50 feet from the center line of the highway and no filling shall be done except in cars standing on the property of the filling station.

Section 6. Sales stands for the sale of farm products shall be permitted in any district, provided they do not, by their location, violate set back or side line restrictions and provide adequate space for sales to persons in cars standing on the property of the sales stands.

ARTICLE VI

No building or structure or part thereof, erected in any district, shall exceed a height of three stories, except that this limitation shall not apply to roofs, towers, spires, domes, cupolas, and other ornamental features, or to chimneys, ventilators, sky-lights, or other accessory features, which are required above roofs, and except as may be otherwise authorized by the Board of Appeals.

ARTICLE VII

General Provisions

Section 1. Removal of Sod, Loam, Sand, etc. The removal for sale of sod, loam, sand, clay, or quarried stone, except when incidental to and in connection with the construction of a building for which a permit has been issued by the Selectmen, or the use of land for a cemetery, play ground, picnic ground, for educational purposes or recreation field, shall be allowed only if the Board of Appeals shall rule that such removal or use is not detrimental to the neighborhood.

Section 2. Overnight Camps, etc. Overnight cabins, trailer camps, and tents may be established in any district provided a permit is granted by the Board of Appeals. The said Board shall make in each instance such regulations as it deems advisable for the disposal of sewage, refuse, and other waste matter.

Section 3. No property owner shall deposit or permit to be deposited any refuse, rubbish or debris or any vacant portion of his premises so as to render same unsightly or unsanitary, nor shall the owner of any property in any thickly settled portion of the town permit the growth on his said premises of weeds, brush, tall grass or other growth as is easily inflammable when dry so as to cause a fire hazard.

Section 4. Uses Prohibited. No new building or structure, or alteration, enlargement or extension of any existing building or part thereof, or land in any district shall be used for any of the following purposes:

A.—Junk or rag shop, the storing or keeping of salvaged building materials, and automobile wrecking or for the keeping of "junk automobiles."

B.—Any purpose which by the emission or discharge of fumes, vapors, gases, dust, offensive odors, chemicals, poisonous fluids or substances, refuse, decomposed vegetable or organic matter or excrement; or which by causing unusual noise or vibration will

increase the danger from fire or explosives or otherwise be dangerous or injurious to the public health or safety.

C.—Any purpose harmful to the public morals.

ARTICLE VIII

Permits

Section 1. A permit may be issued, in any Single Residence District, for the alteration or conversion of an existing building for the use as a business or industry, or for the conversion of a single residence into more than six dwelling units where such conversion does not destroy the single residence character of the building, if the Board of Appeals shall, after public hearing so permit: **provided** that there be filed with the application for such permit, written consent, thereto by two-thirds of the owners of land located within 500 feet of the lot for which the permit is requested.

ARTICLE IX

Section 1. The Selectmen shall within thirty days of the acceptance of this by-law appoint a Board of Appeals of — members; one for the term of one year, one for the term of two years, one for the term of three years, etc. At the expiration of the terms of these original appointees, vacancies shall be filled by the Selectmen by appointment for the balance of the term in which the vacancy occurs.

Section 2. Associate members shall be appointed in the same manner and for the same term as members. Associate members shall serve only in the absence, disability or disqualification of the member.

Section 3. A member or associate member of the Board of Appeals shall not act in any matter in which he has a direct personal or pecuniary interest.

Section 4. Appeals. Any person aggrieved by the refusal of the proper authority to issue a permit under the provisions of this by-law, or any person aggrieved by a decision of the Board of Appeals made under provisions of this by-law, may appeal under the provisions of Section 30, Chapter 40 of the General Laws.

ARTICLE X

Section 1. Penalty. Any person violating any provision of this by-law shall be subject to a fine not exceeding twenty dollars for each violation. Each day during which any violation exists shall be deemed a separate offense.

Section 2. Nothing contained in this by-law shall be construed as repealing or modifying any existing by-laws or regulations of the town, but this by-law shall be in addition thereto; and if this by-law imposes greater restrictions upon the construction, alteration, enlargement, reconstruction, raising up, moving or use of buildings or structures or upon the use of land than other by-laws, such greater restrictions shall prevail.

Section 3. The invalidity of any section or provision of this by-law shall not invalidate any other section or division thereof.

* * *

The Planning Board recommends that public hearings be called during 1943 for the purpose of discussion and completion of the proposed zoning laws by the townspeople, so that action may be taken at the next Town Meeting.

Respectfully submitted,

WALLACE N. NELSON, Chairman
ERWIN L. SMITH
CHARLES H. NEWTON
J. RUSSELL WAKELIN
ELIZABETH M. TEDESCHI, Secretary

REPORT OF BOARD OF PUBLIC WELFARE

Credit for Squad Football reporting:

To the Board of Selectmen,
Town of Southborough, Massachusetts
Gentlemen:

The Board of Public Welfare submits the following report of its work for the year ending December 31, 1942.

Expenditures for—

General Relief	\$4,552.32
Old Age Assistance	18,560.19
Aid to Dependent Children	906.47

Total Expenditures for 3 Departments	<u>\$24,018.98</u>
--------------------------------------	--------------------

COLLECTIONS

From Government on—

Old Age Assistance	\$8,727.81
Aid to Dependent Children	243.00

From State on—

Aid to Dependent Children	338.17
Old Age Assistance	8,057.56
General Relief (State Cases)	979.27

From Other Cities and Towns on O. A. A.

Miscellaneous Collections	305.29
---------------------------	--------

Total Collections turned into Treasury	<u>337.00</u> \$18,988.10
--	------------------------------

SUMMARY

The approximate cost to the Town for Old Age Assistance for 1942 after all collections have been credited to that Department was \$3,500.00

The approximate cost to the Town for Aid to Dependent Children after all collections have been credited to that Department was 500.00

The approximate cost to the Town for General Relief after all collections have been credited to that Department was 3,400.00

There has been practically no W. P. A. work in Southborough this year but our Board has been helped with food and clothing from the Federal Commissary.

We regret to announce the resignation from our Board of Mr. Karl Sayles in order for him to fill the appointment to the Advisory Board made by the Selectmen. The Selectmen have appointed Mrs. Herbert Harrington to fill his place on our Board for the expiration of the term.

Respectfully submitted,

HELEN BURNETT, Chairman
ROBERT JOHNSON
RUTH HARRINGTON
Board of Public Welfare

REPORT OF BOARD OF HEALTH

January 13, 1943

The Board of Selectmen,
Town of Southborough, Massachusetts
Gentlemen:

The Board of Health hereby submits the following report of its work for the year 1942.

The spring and fall rubbish collection was very successfully carried out by the Highway Department and it is hoped this work may be continued in the next year.

Cooperating with the State Milk Control Board all farmers were required to have milk inspection and bacteria count reports before the renewal of licenses June first. We found most of the farmers very cooperative and willing to make any changes that would increase the efficiency of their production.

An inspection of local stores as to refrigeration, storage, and disposal of waste products was made during the summer. A few suggestions were made by the Board but in most cases the conditions were excellent.

In October a four day Pre-School Well Child conference was held in cooperation with the State Department of Child Hygiene. Sixty-one children were examined; 14 needed medical care, 10 dental, 7 nutrition, 4 nose, 2 throat, 1 nose and throat. Because of transportation problems, this work was carried out at South Union School, Community House, and Fayville. We wish to thank Mrs. Baker, the Southborough Woman's Club, the School Committee and Village Society for their cooperation. The Board of Health feels that this is very important work. Mrs. Baker follows each case and, therefore, most of the minor defects found in the examination are corrected before the entrance to school. The health of our school children in Southborough has greatly improved since the Well Child Conferences were started four years ago.

The State did not conduct a Tuberculosis Clinic but all cases scheduled for x-ray and treatment were transported to Worcester County Sanatorium by Mrs. Baker.

The diphtheria Clinic was omitted but will be held this coming year and it is gratifying to get so many requests for and appreciation of this service.

The establishment of a Public Health Nursing Service is still under discussion and it is hoped results may be obtained during the coming year.

One case of Dog Bite was given Anti-Rabies treatment during 1942. The number of contagious diseases reported during the year is as follows:

Dog Bites	2
Chicken Pox	1
Measles	36
Mumps	45
Whooping Cough	2
German Measles	6
Pulmonary Tuberculosis	1

The list of licenses and permits granted is as follows:

Store licenses to sell milk and cream	6
Milk dealer's licenses	12
Milk producer's licenses	12
Licenses to—	
Pasteurized milk	3
Pick up bones and fat	1
Sell methyl anti-freeze	5
Sell Oleomargarine	2

Respectfully submitted,

HUGH F. FOLSOM, M.D., Chairman

JAMES F. TELFER, Agent

ROMNELIA H. BORST, R.N., Clerk

ANNUAL REPORT OF WATER COMMISSIONERS

Herewith is presented the thirteenth Annual Report of the Water Commissioners for the year 1942.

Consumption of Water

The total amount pumped for the year was 51,671,000 gallons or an average of 141,564 gallons daily.

Property owned by the Town used 36,755,000 gallons.

Water supplied to the Choate Playground and the Playground on Parkerville Road amounted to 170,000 gallons.

Water was supplied to property owners from hydrants during the summer. These property owners are outside the pipe lines.

Services

There were eight services installed during the year as follows:

John Laptewicz, Flagg Road
 Harlan Banks, Main Street
 Samuel Clark, Parkerville Road

William Palmer, Cordaville Road
 Isaac Del Castello, Marlboro Road
 Clara Proctor, Middle Road
 Marie Fairbanks, Main Street
 Albert Colley, Southville Road

General

On January 10, 1942 the 8" main under the Turnpike at the Pumping Station broke. In order to repair it, it was necessary to excavate on the grass plot in the middle of the Turnpike and tunnel about eight feet under the cement road.

The Playground on the Parkerville Road was connected with Town Water.

Hydrants have been inspected as in the past. The log at the Station has been kept and an operating cost sheet. The operating cost sheet of the truck has also been kept.

During the summer it was necessary to repair the fence and gateway at the Clear Hill tank. A gate has also been placed at the entrance of the Southville tank.

The roadway to the Fayville tank has been cleared of brush.

Two meters were placed in service at the Deerfoot Farm Dairy, due to increased consumption of water.

The Water Extensions voted at the Annual Town Meeting under Articles 27 to 31 to be installed as Works Progress Administration Projects were not started as W. P. A. Funds were not available and it was impossible to purchase materials due to priority ratings.

Revenue

Income from Water Rates in 1942 amounted to \$15,030.55 as compared to \$13,808.07 in 1941.

REPORT OF CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen,
Town of Southborough, Massachusetts
Gentlemen:

There is little to report concerning our doings of the past year: the Cemetery speaks for itself to those who are interested to see how it is kept up. In this connection, however, reference to the financial statement of the Auditor becomes necessary in order to see how "so much has been accomplished, with so little and so few."

By way of preparation for the coming year we now place ourselves on record with a hint, that while we shall do our best with our means at hand, there may be some disappointment with the results attained from our decreased meagre budget.

Respectfully submitted.

EDWARD C. RAMSDELL

HOWARD R. LINCOLN

Cemetery Commissioners

REPORT OF BOARD OF SELECTMEN, 1942

Regular meetings were held on the first and third Friday evenings of each month.

Nine Special Meetings were held, and Public Hearings were held when necessary.

Reports of Departments under the supervision of the Board of Selectmen appear elsewhere in the Town Report.

Appointments made and resignations accepted are as follows: At the first meeting of the Board in 1942, the resignation of Mr. Amos Toombs, Superintendent of Streets, was accepted, and Mr. Robert W. Sealey was appointed to fill the vacancy.

A "Temporary Honor Roll" Committee was appointed. Those appointed were Mr. Cameron Bradley, Mr. Walter A. Hutt, and Mr. Walter M. Offutt.

In March, the Board organized, with Mr. Arthur L. Hosmer, the newly-elected member, present. Mr. Harry Burnett was elected Chairman, and Mr. Hamilton Armstrong was appointed Clerk.

The names of Committees and Heads of Departments appointed, appear in the report of the Town Clerk.

Mr. Frank J. Mattioli resigned from the Advisory Committee, and Mr. Phillip Burke was appointed in his place.

Mr. Patrick J. Brock resigned from the Board of Water Commissioners, and Mr. C. Edward Baker was appointed in his place.

Mr. Harry Burnett resigned as Chairman of the Board of Selectmen, because of his many other duties, and Mr. George A. Labarre was appointed Chairman for the remainder of the term.

Mr. Harry Burnett resigned as Chairman of the Southborough Committee on Public Safety. Mr. Walter M. Offutt was appointed.

Mr. James E. O'Leary was appointed Local Administrator of the War Transportation Conservation Program.

The resignation of Mr. Walter M. Offutt as Chairman of the Southborough Committee on Public Safety was accepted, and Mr. Labarre agreed to act as Chairman until such time as a Chairman could be found.

The resignation of Mr. Herbert E. Harrington as Chief Air Raid Warden was accepted, and Mr. Phillips D. Jones appointed in his place.

The resignation of Mr. Walter E. Morse, Jr., from the Advisory Board was accepted.

The resignation of Chairman Edward W. Fay from the Rationing Board was accepted, and Mr. James E. O'Leary was appointed to fill the vacancy.

Mr. Karl Sayles and Mr. Herbert Holmes were appointed to the Advisory Committee to fill existing vacancies.

Mrs. Herbert E. Harrington was appointed to the Welfare Board due to the resignation of Mr. Karl Sayles.

The resignation of Mr. Hamilton Armstrong as Sealer of Weights and Measures was accepted, and Mr. Harold M. Gunsolley was appointed to take his place.

Mr. Phillip D. Jones was appointed Chairman of the Southborough Committee on Public Safety.

The Board of Selectmen deeming it advisable, placed War Damage Insurance on Town buildings.

Among the equipment purchased during the year was a Reo truck for the Highway Department and a Chevrolet sedan for the Police Department.

Meetings were held with the Hopkinton Selectmen and the Commissioners of Worcester and Middlesex Counties; as a result of these meetings, an agreement was signed with the State Department of Public Works to reconstruct the

"Cedar Street" bridge in Southville. The work to be completed on or before July 1, 1943. It is hoped that existing conditions will allow this project to be completed.

The Southville playground was officially named the "George A. Mooney Field."

The report of the Board of Selectmen would not be complete without recording the passing of Mr. Paul S. Lincoln who served the Town faithfully in several capacities for many years. He will long be remembered as a most faithful public servant.

GEORGE A. LABARRE
HARRY BURNETT
ARTHUR L. HOSMER
Board of Selectmen

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen,
Gentlemen:

The Highway work was retarded this year because of

1. Reduction of 50 percent 1941 Bituminous materials available.
2. Freeze orders on Bitumuls.
3. Shortage of labor.

Due to an early consultation with State Department Public Works we were able to carry over to 1943 our unexpended Chapter 81 appropriation.

Consequently, the men from the Highway Department worked 2,092 man hours for farmers and other individuals who requested help.

The number plates were not removed from the Autocar Truck on April 1st as in the past. The truck was in readiness for any emergency which might occur.

We hope to repair and improve more sidewalks in 1943.

Chapter 90 construction was abolished in 1942 and is abolished in 1943.

Respectfully submitted,

ROBERT W. SEALEY
Superintendent of Streets

ANNUAL REPORT
OF THE
School Committee
OF
Southborough, Massachusetts

For the Year Ending December 31

1942

REPORT OF THE SCHOOL COMMITTEE

Your Committee submits respectfully the following report for the year 1942:

The major improvements in the basement at Peters High School have been completed, a shower has been installed in the boys' section, and hot water is now available. The very defective ceiling in the High School Building boiler room has been replaced, and the roof on the South Union School completely repaired.

During the year the school cafeteria facilities were bettered; it is being managed most efficiently and, we believe, is well patronized.

With the complete co-operation of the bus drivers a thorough survey of the school transportation system was made; one bus was eliminated, routes revised — all of which will result in a substantial saving to the Town. In accordance with the War Necessity Regulations of the O. D. T., the routes may have to be reduced, the Committee having been informed that future supplies of gasoline and tires for the transportation of school children will depend on school authorities taking action to cut such transportation to a minimum.

Anticipating the possibility of a coal shortage the various bunkers have been filled, and we believe the buildings now have an ample supply of fuel to carry through most of the cold season.

Through the efforts of our own students, St. Mark's School Boys, and the Scrap Committee, the school system has received a fine, modern moving picture machine which is being used to good advantage.

At the opening of the January Term, Classes I and II in Southborough Proper were consolidated, and the two classes are being conducted by Miss Mary C. Hayes. With the present enrollment the new arrangement will still permit the teacher to give adequate individual attention to her pupils.

The assistance and co-operation of the St. Mark's School Faculty has made possible a Victory Training Corps which will be available to those students who wish to enroll.

The Committee wishes to take this opportunity to express its appreciation to Superintendent Henry G. Blount, Principal Albert S. Woodward, and the teaching and maintenance staffs for their faithful and untiring efforts in maintaining the academic schedule during a year when they were called upon to do much additional outside work in connection with rationing and other War-time Activities.

Respectfully submitted,

EDMUND H. BULLARD
JAMES G. STOCKWELL
PAUL J. REDMOND

IN MEMORIAM

The School Committee wishes to express what it knows to be the feeling of all the Townspeople, a deep sorrow at the passing of Mr. Chester C. Wells, who for many, many years served Southborough Schools faithfully and efficiently, and was loved by all who knew him.

EDMUND H. BULLARD
JAMES G. STOCKWELL
PAUL J. REDMOND

To the Southborough School Committee,
Gentlemen,

It gives me pleasure to submit the report of the Superintendent of Schools which is the seventeenth in my series of annual reports.

The year has been marked by a number of teachers leaving the school system. Mr. Bennett and Mr. Diniak resigned to enter the armed services. Mr. Diniak had succeeded Mr. Bennett in February and Mr. Diniak in turn was succeeded by Miss Anne Pignatelli, who began her work in September. Miss Marie Brady was elected to take the place of Miss Betty Calkins, as teacher of Domestic Arts. Mr. Gene Insani followed Mr. Wilbur as instructor in Manual Arts. Mr. Wilbur resigned to accept another position and subsequently entered the Service.

A report from the Federal Office of Education covering the period to June 1942 states that more than fifty thousand teachers in the United States had left the teaching profession for the Armed Forces or industry. There has been since that date a steady flow away from the profession, also. There is going to be the most acute shortage of teachers in the nation's recent history and we should make every effort to retain our present teaching force.

As this report is in process of preparation, we have the resignation of Miss Helen Gardner, teacher at the South Union School.

School and the War Program

At the elementary school level there is no need for conversion of the curriculum. The fundamentals of childhood education with emphasis upon mental security, physical health and growth, and command of learning are not altered for the emergency. Millions of elementary school children will still be in school when the War ends. We must look to them to assist in the post-war reconstruction of the Nation's Institutions.

Although it is an axiom of elementary school education that these children must have every opportunity to grow,

free from the anxiety of war, their response to the needs of the emergency has been astounding. They have entered into the salvage campaigns, the purchase of War Savings Stamps and Bonds and community war activities with astonishing zeal.

Can our high schools continue to operate on a pre-war program? This question has been widely discussed in every community in the United States and there is quite a general agreement that conversion of the high school curriculum is a vital necessity.

The "Institute on Education and the War" voicing the opinion of educators has urged the following curricula conversion:

First: Improved facilities for occupational information and guidance in war activities.

Second: Increasing emphasis upon programs of physical fitness.

Third: Conversion of courses in mathematics and physics, and emphasis upon complete mastery of these subjects.

Fourth, Pre-flight Training courses in aeronautics. Pre-flight courses, if given in addition to the necessary foundation in mathematics and science, constitute one of the most important contributions that a high school can make in winning the War.

Fifth: Better training of American youth for citizenship in a democracy. English and the social studies constitute the means by which the instructions may be given.

Sixth: Training of Specialists. This means using high school facilities, so far as practicable, in the preliminary preparation of auto mechanics, radio operators, and repair men, machinists, typists, cooks, and of other specialists.

Southborough High School affords opportunity for securing occupational information in the critical services.

The school is handicapped in its program of physical fitness by the loss of one of its male teachers. However, a course in military drill and calisthenics is being organized and will be put into operation shortly.

It is possible to train boys as cooks, mechanics, typists, and for elementary electrical work.

In my opinion, it is good judgment to meet any of these requirements that are practicable. The sooner men become fitted for the war requirements, that much sooner will they be equipped to enter the type of service for which they are best prepared. The more rapid the flow of men in the Armed Services and industry, the sooner the Emergency will be brought to an end.

General Science for the eighth grade has been dropped to give sufficient time for Biology in the high school. A more intensive study of geographical areas which have come into prominence with the war is being substituted for general science.

Teachers have met the increased responsibilities of the War with fine cooperation. Rationing programs and salvage and War Savings campaigns have met their ready response. I want to express my warmest appreciation for the results they have accomplished.

The manifest interest of the members of the School Committee is greatly appreciated.

Your attention is called to the reports of the High School Principal, of the Supervisors of Drawing and Music.

Respectfully submitted,

H. G. BLOUNT,

Superintendent of Schools

REPORT OF PRINCIPAL OF PETERS' HIGH SCHOOL

To Mr. Henry G. Blount,
Superintendent of Schools,
Southborough, Massachusetts.

Dear Sir:

Herewith I submit my annual report for Peters' High School.

The enrollment for the seventh, eighth and High School, as of October 1, 1942, is as follows:

	Seventh	Eighth	High School
Boys	8	8	40
Girls	15	8	50

Fire drills have been held quite regularly in both buildings. The time for each drill has been less than one minute.

Eight of the Senior boys are taking Review Mathematics in order to meet the requirements of the Army and Navy for better trained recruits. In addition four Senior boys are taking Solid Geometry and Plane Trigonometry.

A Victory Corps is being organized in the High School to help in the national war work.

Voluntary military training for boys is to be conducted by our school once a week, in the gymnasium of St. Mark's School.

Our school is participating in the War Bond and Stamp Campaign. Once a week the pupils purchase stamps and bonds through a central agency, set up for that purpose in our system.

We had two changes in our teaching staff, Miss Brady in Domestic Science, and Miss Pignatelli in Science.

I wish to take this opportunity to express to the Auxiliary Police the appreciation of the pupils and teachers for making it possible for us to have such a fine moving picture camera. It certainly is wonderful.

I wish again to call the attention of parents that pupils, in order to do good work in school, should be more closely supervised at home on work which they have to prepare outside of school and that regular attendance is necessary if a pupil is to maintain a good standard of scholarship.

Again I wish to thank the School Committee for their support, the Superintendent for his constructive advice and the teachers for their loyal cooperation.

Respectfully submitted,

A. S. WOODWARD, Principal

REPORT OF SCHOOL NURSE

Mr. Henry G. Blount,
Superintendent of Schools,
Southborough, Massachusetts.

Dear Sir:

I herewith submit my annual report for the year ending December 31, 1942.

This year started with a wide-spread epidemic of mumps, more than fifty children having the disease.

Under the auspices of the Southborough Dental Clinic Committee, we held two dental clinics; one from May 18 to 29, the other from October 15 to 30. Dr. H. M. Fielding, of the Worcester County Extension Service, was the dentist. The children like him, and he is a most efficient worker. Since these clinics, our number of absences from toothache has decreased markedly, and we have many less complaints of toothache in school.

No. of—	June 1942	October 1942
Children receiving some dental care	124	126
Children with dentistry completed	109	99
Fillings	186	258
Extractions	58	57
Cleanings	115	97

All children with positive tuberculin skin tests were taken to Worcester County Sanatorium for examination and X-ray in May. Two girls were sent to Sterling Health Camp for the summer. Their health was much improved. This was made possible by the sale of Christmas seals.

Dr. Folsom and Dr. Webster made their annual examinations in September.

This year the teachers and I have tried to stress to the children the necessity of good nutrition. We feel that the hot school lunch, provided by the P. T. A., has done much to improve the children's health. The number of absences is lessened, and the pupils are much more alert in the afternoon session.

We have been fortunate in our number of accidents, only three needing medical attention.

I am deeply grateful for the support and co-operation I receive from the teachers.

Respectfully submitted,

MARY A. BAKER, R. N.

REPORT OF SUPERVISOR OF MUSIC

Mr. H. G. Blount,
Superintendent of Schools,
Southborough, Massachusetts.

My dear Mr. Blount:

It pleases me to submit, at this time, my report as Supervisor of Music of the Schools of Southboro, from February 2, 1942, to the end of the year, December 1942.

The ultimate aim of the great art of music, as taught in our public schools, is to inspire love of good music on the part of the child for his enjoyment and satisfaction. Music is something to be enjoyed. To create a truly pleasurable experience, music must be participated in rather than described. In other words, school music, as it is taught, leads our boys and girls to an abiding love for music through a type of class work combining performance, listening, and discussion.

Music contributes to the general aims of education, namely: health, command of fundamental processes, worthy home membership, vocation, citizenship, worthy use of leisure time, ethical character, and the like.

The general outline for the school music program is as follows.

Three essentials are found throughout the school music program in our schools, namely: voice culture, music interpretation, and music reading.

In the lower grades is begun the foundation of music. Time and Tune is taught in the first grade by rote songs. From the second grade through the fourth grade music reading is greatly developed through a reasoning process which is taught by a pedagogical arrangement of Time and Tune. This is presented in a manner that is understandable to a child with a given age and correlative with his other studies. Part-singing is introduced late in the fourth grade and advanced throughout the following grades. Individual work is greatly encouraged in all grades. Weekly assignments are left with each grade teacher to be followed and each teacher is instructed how to follow them.

In the Junior High School, the foundation and framework which the grades erected is filled out. A great deal of chorus singing is emphasized. The junior high child is passing through the adolescent period and for this reason music is a great factor in his social and emotional development. The large group singing is stressed. The type of music employed is matured and deals with a wide variety of human relationships.

In the Senior High School there is organized a mixed chorus. Unison and part songs are taught. These songs are of a wide variety. This type of work is very beneficial to the students of this age. It is also greatly enjoyed and a means of great satisfaction to him.

The Orchestra which was organized last year has progressed very well. It has played for a few of the school dances this past year.

We are fortunate to have music advanced in the Southborough schools. The teachers who so ably carry on the program, deserve the highest praise.

I wish to express at this time my grateful appreciation to you, my Superintendent, the School Committee, the teachers, and the townspeople for their assistance, support and cooperation at all times.

Respectfully submitted,

ELVIRA P. FOTI

REPORT OF ART SUPERVISOR

Mr. Henry G. Blount,
Superintendent of Schools,
Southborough, Massachusetts.

My dear Mr. Blount:

I herewith submit my annual report as Art Supervisor of the Southborough Schools.

As the general outline in regard to color, design, composition and the fundamentals of art education is followed each year I will endeavor to give you a report only on new phases in the art department.

Wherever possible we have tried to key our program to the times. We have tried to strengthen national morale by making posters or in projects on ways and means in which the child and home as civilians can play a vital part in the war effort. The good neighbor policy with the Latin Americas has been stressed and problems and projects pertaining to this subject have been developed. These problems present such an interesting and broad field of study that it seems expedient to give them an important place in our program. Most of the children have such a keen interest and knowledge of world affairs at the present time that they are eager to participate in any project relating to current events.

At the Fayville School we attempted easel painting as a group for the first time. The enthusiasm was a joy. I feel the youngsters got a much broader sense of color and design by working with the large brushes and covering a large surface with paints.

Although the stages made from boxes are not a new phase, those developed this year are well worth mention. The students used a great deal of ingenuity in their subject matter and ways and means of achieving the desired effect.

Another project was remodelling a house. A shell or simple structure was presented as a problem and the developments were interesting, varied, and enlightening.

May I take this opportunity to thank you as Superintendent, the School Committee and the townspeople for the interest and support of the art department.

To the teachers my grateful and sincere appreciation for their efforts and cooperation.

Respectfully submitted,

MARGUERITE ELLIOTT PEASLEE

CLASS SONG

Words by Richard Flynn

Music by Charlotte Fantony

We're leaving you now,
Regret it somehow,
We'll miss our friends tried and true,
We're saying goodbye,
With tears in our eyes,
And a spot in our hearts for you.

We say farewell to Peters' High
But we will never forget,
And as the years go drifting by,
Fond mem'ries will linger yet.

This having to go,
We're hating it so,
As from our school we must part,
You prepared us for life,
For joy and for strife,
For that you'll live in our hearts.
